

**PROPOSED CHANGES IN METHODS AND STANDARDS
FOR ESTABLISHING MEDICAL ASSISTANCE PAYMENT RATES**

**STATE OF ILLINOIS
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES**

The Illinois Department of Healthcare and Family Services (HFS) is proposing a change in the methods and standards by which the Department will reimburse providers. The proposed change is effective for dates of service January 1, 2024 and after.

The Department is increasing the reimbursement rate for practitioners applying medical fluoride varnish to children 6 years of age and younger to \$27.30.

This proposed change will result in an annual increase in Medicaid liability of \$762,000 for services provided through fee-for-service or through managed care organizations. The proposed change is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
